“Through our Great Food. Made Easy. strategy, US Foods is committed to helping independent restaurants succeed. With CHEF'STORE, we've developed a shopping experience specifically designed for food industry professionals

who need to quickly and conveniently replenish ingredients,” said Josh Waters, vice president, CHEF'STORE at US Foods. “We recognize restaurant operators may want to purchase products through multiple channels and now, US

Foods offers a new wholesale store that is there to help seven days a week, in addition to our traditional foodservice delivery.”

The new CHEFSTORE houses more than 47,000 square feet of products that includes everything from fresh produce, meat and dairy to pantry staples, as well as a wide range of cookware such as cooking tools and restaurant grade stoves. The store also features national brands, exclusive brands from US Foods and specialty ethnic items. In an effort to help operators keep costs low, all CHEFSTORE products are offered at wholesale pricing.

“Given the booming food scene in the Dallas-Fort Worth metroplex, we’re proud to offer local restaurant operators a new way to shop when they have that unexpected surge of traffic or just need one or two items,” said Tracy Osborne, area president, US Foods. “The warehouse style shopping experience is easy to navigate and fully stocked with products that are available in case and individual quantities to best meet our customer’s needs. There are also temperature-controlled areas to ensure optimal freshness and allow us to offer a wide variety of fresh and frozen products.”

CHEFSTORE is open to the public and conveniently located at 4240 Alpha Road in Farmers Branch, Texas near the intersection of Midway and Alpha road. CHEFSTORE is open seven days a week with service available in both English and Spanish.
